To Dr. Falconer,
President, Univ. of Toronto.

Dear Sir:-

I have been thinking of doing graduate work in French and English at your college during the coming session. Professor A. S. Morton of the University of Saskatchewan has advised me to communicate with you on the subject of fees, and I would be grateful to you for any

information as it will
materially affect my plans
for the coming year.

Yours Very Truly,

Miss C. Callon,

1608- 15th Avenue,

Regina, Sask.

Dear Miss Callon:

Yesterday at a meeting of the Board of Governors I presented your letter and at the same time asked them whether they would be willing to grant you a remission of fees for your graduate work in view of the fact that you are coming from such a distance. I am sorry, however, to have to say that the Board felt that much as they sympathized with your desire that it would introduce a principle which they might find difficult to follow in the future.

I may say, however, that the fees are not high. For the M.A. work you would have a contined registration and tuition fee of $25.00, ten dollars for examination, and ten dollars for the degree.

If there is any way in which I can be of further service I shall be glad if you will let me know.

Yours sincerely,

President.
